

**Forests
that Work**
ANNUAL REPORT 2015

From the Board Chair & Executive Director

THANK YOU! Thank you to every one of our members and supporters for making our land conservation and outdoor education programs possible for the past year. Your support means everything!!

A NEW TYPE OF PROTECTED LAND: Included among the 2015 projects featured in these pages are Working Forest Reserves, a new class of properties that expand upon the Conservancy's well-known system of Nature Preserves. Working Forest Reserves have come to LTC enrolled in the Michigan Commercial Forest Program (CFP), dedicated to providing a sustainable and environmentally appropriate stream of forest products to promote economic prosperity and sound resource management across the North. These Conservancy lands receive the same treatment by local and state government as private CFP lands with taxes paid and harvesting undertaken periodically. All Working Forest Reserves are open for public hunting and trapping as required by law, and the Conservancy ups the ante a bit by making these lands open not just for these recreational uses but year-round for hiking, snowshoeing, cross-country skiing and other non-motorized recreation. It's old fashioned conservation at its best, in the tradition of Theodore Roosevelt and Aldo Leopold, bringing the Conservancy into the fore as a steward of working forests that can serve as examples for other forest land owners.

THANK YOU, AGAIN, to all who make it possible for us to protect scenic natural areas, to provide education programs for thousands of children each year, and now to lead the way in managing working forest lands for sustainability, ecological diversity and public recreation.

Volunteers

many hands, many talents

In 2014, volunteers contributed time to Little Traverse Conservancy valued at nearly \$40,000!

352 volunteers donated 3,932 hours organization-wide. Within this number are volunteers from all of our departments as well as mailing volunteers, the EcoStewards program (including 65 school age volunteers middle school through college age), 45 kestrel nest box monitors, and five eagle scout volunteers. These groups included the Fisheries and Wildlife Club from Lake Superior State University which built trails at the Round Island Point Nature Preserve, a University of Michigan Field Botany class completing a Floristic Quality Inventory at the Duncan Bay Nature Preserve, the Junior National Honor Society at Concord Academy in Boyne City that installed and regularly monitor a kestrel nest box (American kestrel is their school mascot!), a Harbor Springs Middle School class that mapped a vernal pool at the Offield Nature Preserve and dispersed seeds at the Meadowgate Preserve, and an Eagle Scout and his troop mates who built trails at the McCune Preserve.

CHARLEVOIX COUNTY LAND PROTECTION

Land Donation for Susan Creek Nature Preserve Parking Area

Hayes Township

.5 acre

Consumers Energy donated a half-acre parcel to LTC in 2015 so that in 2016, it could be made into a larger and safer parking area that would accommodate a school bus and more cars.

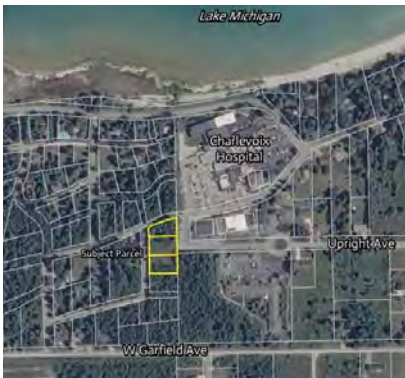

Michael Conservation Easement

South Arm Township

76 acres

950 feet Jones Creek

This easement overlooks the Rogers Family Homestead Preserve along the Jordan River, and greatly contributes to the protection of this high quality watershed on the edge of East Jordan.

Boulder Park Addition

City of Charlevoix

1 acre

This land was donated to expand the Boulder Park Nature Preserve, a neighborhood preserve near the Charlevoix Hospital.

Addition to St. Clair Lake/Six Mile Lake Natural Area

South Arm Township

300 feet St. Clair Lake/Six Mile Lake

258 feet frontage along C-48

Purchased jointly with the Grand Traverse Regional Land Conservancy, this addition continues to build on the SCL/SML Natural Area that now includes 263 acres and 2.4 miles of shoreline.

2015 Forests for the Future Acquisitions

In 2015, a total of 120 acres in Charlevoix County's Hayes, Hudson, and Wilson townships were transferred from Forests for the Future to LTC as Working Forest Reserves.

Gitcha-ninj Nebish Conservation Easement

A multi-year land project came to completion late summer 2015 with the protection of 750 acres of forested land along $\frac{3}{4}$ mile of Thumb Lake (also known as Lake Louise). Located near Boyne Falls, this land is one of the largest privately-owned parcels in the region. Many partners came together to secure a \$900,000 Forest Legacy grant from the U.S. Forest Service. The grant was used to purchase a conservation easement on the property that is held by the state of Michigan, ensuring permanent protection. The land remains owned by the Lake Louise Christian Community Camp & Retreat Center.

A total of eight parcels throughout
Emmet County were transferred to LT
in 2015 as Working Forest Reserves.

EMMET COUNTY LAND PROTECTION

Michael Cameron Dempsey Preserve
Little Traverse Township
10 acres
Donated by Michael's parents, Jack and Suzanne Dempsey, this preserve honors the life of a young man who found solace and beauty in nature.

Ponshewaing Preserve Addition
Littlefield Township
9 acres
700 feet Crooked Lake shoreline
True grassroots fundraising from a family foundation and local donors resulted in a beautiful shoreline addition to this inland lakes preserve.

Atchison Conservation Easement
Springvale Township
80 acres - A donated conservation easement by Les and Linda Atchison will ensure that the land will always be undeveloped, regardless of future ownership.

Addition to Elbert Family Preserve and Black Hole Preserve Management Unit
Littlefield Township
This five-acre donation brings the size of the Elbert Family Preserve to 75 acres and lies across the road from the 117-acre Black Hole Preserve.

Cheboygan County Assist Projects

Various Townships

117 acres total

One of the primary conservation roles Little Traverse Conservancy plays in northern Michigan is to assist local or state government with acquiring land. As a private non-profit, LTC is uniquely suited to act more quickly than what could occur through governmental process. For this reason, LTC will often pre-acquire and hold a land that is sought by a local township or the Department of Natural Resources. When their funding becomes available, they pay the Conservancy and the land is transferred to them.

In 2015, two assist projects in the Pigeon River State Forest and one in Cheboygan State Park came to fruition. These lands were added to existing land protected and held by the State of Michigan.

Six tracts totaling 760 acres of Chippewa County land — five of them on Sugar Island — were donated to Little Traverse Conservancy in 2015 as Working Forest Reserves. In addition, a 24-acre parcel on Sugar Island was purchased to improve access to the new reserves.

One of the new Working Forest Reserves on Sugar Island is dedicated to honor the life of Bill Marks.

Ellen Elliot Weatherbee Nature Preserve
Drummond Township
A small fen located along M-134 just west of the town of DeTour was donated by Ellen Weatherbee. A host of significant Great Lakes shoreline wetland-dependent plants are found here.

STEWARDING OUR PROTECTED LANDS

“Overseeing the monitoring of all 274 conservation easements in 2015, I had an intimate look at the contribution our region’s landowners are making towards preserving our beautiful region. Together they are doing something grand and it is truly gratifying to be working with these landowners!”

- Derek Shiels, Easement and Stewardship Specialist

The Conservancy continues to manage and care for the lands that have been entrusted to us since we were founded. We currently monitor 274 conservation easements and volunteers help monitor nearly 200 preserve management units. Additionally in 2015, we added new parking areas and expanded others (see right), added winter grooming to a number of trails, and employed the use of trail cameras to count the number of users on our nature preserves. We were gratified to see that improvements to our modest parking areas led to more than modest increases in preserve visitation. In fact, the number of people visiting the preserves increased as much as tenfold when improved access was provided. We saw similar increases in usage when winter grooming invited and encouraged a greater variety of uses during the cold months.

Using trail cameras to record all visits on some preserves and samples on others, we concluded that roughly 32,000 visits were paid to 34 of our most popular preserves in 2015.

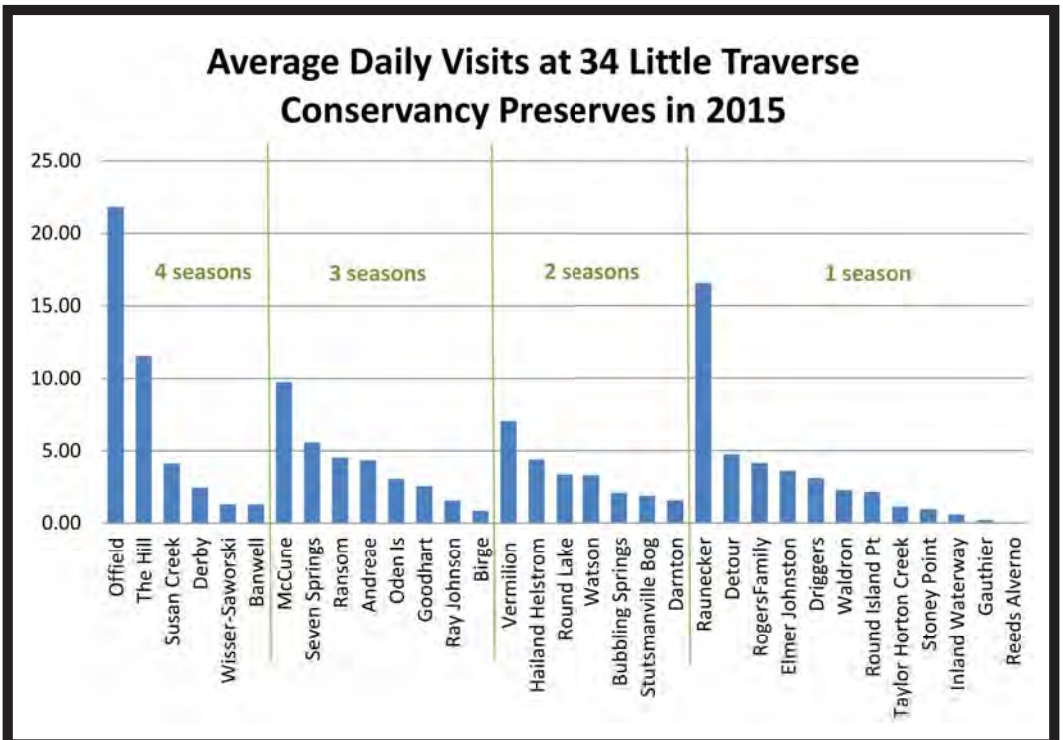

2015 Preserve Visit Totals

Total visits counted: 22,995

Total visits extrapolated: 32,346

Average number of visits per day: 63.8 to 88.6 visits per day

Below: A comparison of the average number of daily visits (ADV) among 34 LTC nature preserves for 2015. The preserves are grouped by the number of seasons that they were monitored. Raunecker Nature Preserve has the second highest ADV, but it was only monitored in the summer.

PARKING AREAS AND EXPANDED TRAILS IN 2015

Improving access...especially for schools!

Todd Parker

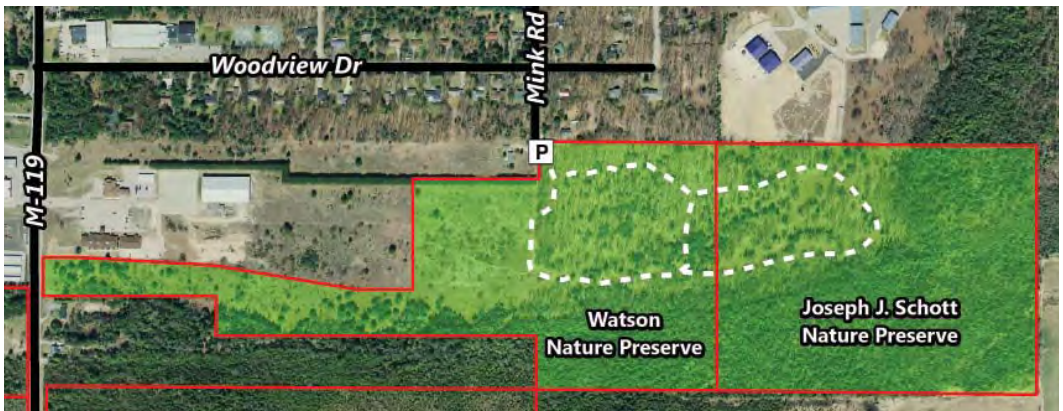

New Parking Area and New Trail for the Boyd B. Banwell Nature Preserve A \$25,000 grant from the Consumers Energy Foundation helped LTC purchase a 20-acre property where we could establish a brand new parking area off of M-68 to improve access to the Boyd B. Banwell Nature Preserve. A trail connector was added to existing trails at the Banwell and adjacent Andreae Nature Preserve. More than five miles of trails are now available, and a school bus can easily park at the M-68 Banwell Preserve entrance.

Todd Petersen

New Parking Area and New Trail for the Allan and Virginia McCune Nature Preserve Grants from Great Lakes Energy People's Fund and the Petoskey-Harbor Springs Area Community Foundation — along with five volunteer groups — contributed enormously to the construction of a new parking area, new trail, and a new bridge for the McCune Preserve. Nearly four miles of trail are available and parking is bus-friendly here as well now!

Schott Preserve Following the 2014 acquisition of the Schott Preserve, staff expanded the trail system between the Watson Family and Joseph J. Schott preserves making it an easy destination between Petoskey and Harbor Springs for school groups, hikers, and preserve neighbors.

Learning Outside

Taking time to look closer

5,030 children from 332 participating groups were reached through LTC environmental education programs in 2015. This includes 4,535 students from 24 schools, as well as summer and other outreach program participants.

Partnerships grew in 2015

LTC joined several area conservation organizations to bring the first annual Waganakising BAY DAY Water Festival to the Petoskey Waterfront on June 28, 2015. Spearheaded by the Walloon Lake Trust and Conservancy and led by Lisa Appel from the Cranbrook Institute of Science, this community event brought 17 groups together to provide educational materials, displays, demonstrations, and hands-on activities to more than 300 participants.

Also in 2015, LTC became a supportive partner of the Watershed Academy education program hosted by Tip of the Mitt Watershed Council. This program targets high school age students, and focuses on watershed education, conservation, protection, and restoration. Groups from five schools (Alanson, Boyne City, East Jordan, Harbor Springs, and Pellston) participated in spring and fall sessions. LTC led field trips on Conservancy preserves near the rivers that were being studied during additional sessions.

Little Traverse Conservancy partnered with two groups from Boyne City as part of our summer programs. Programs were held with Friends of the Boyne River at the Boyne City Nature Area and with the Boyne Library Adventure Club at the Hill Nature Preserve. Nine sessions reached 138 kids.

LTC continues to support Getting Kids Outdoors, which had a successful Spring Kickoff event held at Pond Hill Farm involving several area organizations. Getting Kids Outdoors also held its first Natural Classrooms Contest in Emmet County to recognize local teachers who enhance their classroom lessons by connecting children to nature. Three teachers received awards.

New programs included an expansion of our Wilderness Survival program, which grew from a one-session program to a three-season program, incorporating spring edibles as a new topic. A second LTC Program-To-Go Kit entitled Buggin' Out was completed in 2015. The kit includes a backpack full of lesson plans and program materials for teachers to borrow.

Harbor Springs teacher Kelli Polley's had her students participate in the statewide Vernal Pool Monitoring program both in the fall and in the spring at the Offield Family Preserve.

2015 Events

Consider including LTC as part of your legacy

One of the most meaningful ways to approach life is to consider what kind of legacy you want to leave – and let that be your guiding influence. Annual giving from our members will always be important to us: it is needed and greatly appreciated. But by including the Little Traverse Conservancy in your estate plan, you provide the means for the Conservancy to remain strong, active and always here to preserve the lands we love in northern lower Michigan and the eastern Upper Peninsula.

Please consider making a bequest to the Little Traverse Conservancy through a Will or Trust. You can provide a specific dollar amount, a percentage, or a residual amount, real estate, or tangible property to the Conservancy. A bequest to the Conservancy demonstrates a profound commitment to our mission and helps ensure our financial stability.

To identify the Little Traverse Conservancy in your will or estate plans, please use the following language:

The Little Traverse Conservancy, Inc., a non-profit corporation organized and existing under the laws of the State of Michigan, and with a principal business address of 3264 Powell Road, Harbor Springs, Michigan 49740.

The Little Traverse Conservancy's federal tax Identification Number is 23-7267810.

Membership and Finance

The Conservancy's membership program achieved a new record last year, ending with \$855,675 in donations from 3,966 individual, family and business members. This was \$5,500 more than the \$850,190 received from 3,917 members in 2014. We are very thankful for the wonderful support we received from our members during 2015.

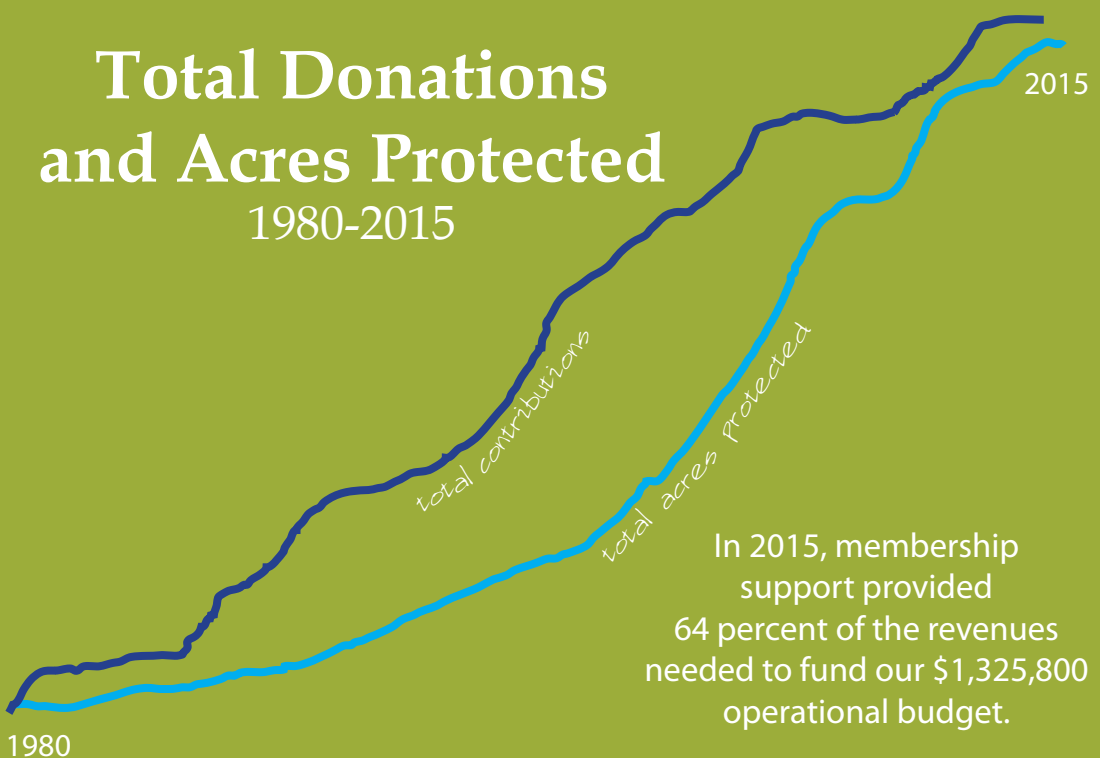

The Conservancy was pleased to welcome 401 new members to our organization last year, representing 10 percent of our total membership. In addition the Conservancy received increased donations from 16 percent of all renewing members, a net increase of \$82,904 from these donors. We also welcomed back 454 previous members that rejoined the Conservancy last year.

Membership support provides 64 percent of the revenues needed to fund our \$1,325,800 operational budget. In addition, we received \$46,000 from operational grants, \$463,000 from endowment income, \$57,000 from memorials and honorariums, and \$55,000 from the annual Save the Trees benefit. In land acquisition, the Conservancy was able to protect land valued at more than \$3,590,000 last year, including land purchases of more than \$324,000.

Once again we appreciate the wonderful donations we received last year from our members, supporters, grantors and land donors. This support has allowed the Conservancy to protect more than 54,000 acres since 1972, and we continue to be the largest membership-supported organization in Northern Michigan. Thank you for your vision and thank you for helping to protect the natural areas that define the North.

We'd also like to thank the 40 members of the Conservancy's Finance Committee for helping to make our membership program such a success. Chaired by Carol Jackson, the Finance Committee is the key to this success helping us to reach new members throughout our five county service area. A complete listing of the committee members is on page 38. We are very grateful to them for their efforts.
