

Places for All to Thrive

ANNUAL REPORT 2017

From The Board Chair & Executive Director:

Thanks once again to the support of members who love northern Michigan, care about the environment, and believe in creating a conservation legacy that will be appreciated by our grandchildren and theirs and theirs, 2017 was a successful year for the Little Traverse Conservancy.

Our education program underwent a review from the ground up and is aligning our services to meet the challenges faced by schools as we continue to offer programs for children who are year-round or summer residents of the North Country.

In land stewardship, more trails were completed, parking areas expanded and directional signs improved to help more people enjoy our Nature Preserves and Working Forest Reserves. Volunteers fanned out across our service area to clear trails after windstorms, install boardwalks in wet areas, and fight invasive exotic plants that threaten natural communities.

Land protection efforts soared to new heights as more acreage was added to our system of protected Nature Preserves and to the Working Forest Reserves which expand our work into the kind of hands-on conservation land management practices advocated by such pillars of the conservation movement as Theodore Roosevelt and Aldo Leopold.

Members increased their giving in 2017 and more people remembered us in their wills, helping to ensure that we will be able to sustain our conservation efforts for the future. A talented and knowledgeable Board of Trustees donated their time and talent to run the Conservancy in the most efficient way possible, while our professional staff continued to advance the state of the art in land conservation while offering quality services to our members and preserve visitors.

Thank you for your support in 2017, and please help us accomplish even more in 2018 and beyond.

Mackinac County

Addition to Birge/Mertaugh/Nye Preserve Complex
40 acres; 1,320 feet Steele Creek; *Clark Township*

With funding from Don and Karen Stearns, LTC was able to secure this shoreline parcel on the northeast end of this growing preserve complex that now encompasses 812 acres and 2.7 miles of Lake Huron shoreline.

STEWARDSHIP Highlights

Eagle Scout candidates Maxx Nichols (left) and Caleb Gosciak built benches for two nature preserves.

Volunteer **GLEN MATTHEWS** conducted *biological surveys* at multiple preserves.

New boardwalk and a lake viewing platform and signs were completed at the Round Lake Nature Preserve.

11 trails groomed during Winter 2017 season.

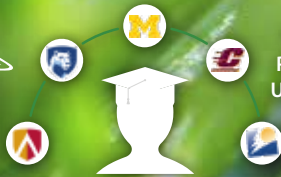

NEW TRAIL SECTION and **BRIDGE** were completed at the Susan Creek Preserve with grant funding from the Charlevoix County Community Foundation and with volunteer assistance.

- Approximately **15 ACRES** of autumn olive trees treated at the G.C. Nature Preserve by staff and volunteers.
- HONEYSUCKLE REMOVED** at Offield Family Nature Preserve.
- BUCKTHORN TREATED** at Rogers Family Nature Preserve.
- GARLIC MUSTARD TREATED** at Ransom Nature Preserve.
- KNAPWEED REMOVED** at Vermilion Point.

Seasonal staff and interns joined us from Austin College, Penn State University, University of Michigan, Central Michigan University, and North Central Michigan College.

The **ANDREAE PRESERVE BRIDGE** was rebuilt, newly decked, stairs were rebuilt, and rocks and drain tile were replaced.

Forest Management harvests at three Emmet County Working Forest Reserves were completed. Post timber harvest restoration work (grading, seeding, tree planting) occurred at Offield Family, Schultz, and Sims-Moffat nature preserves.

A new **PARKING AREA** and **TRAIL** to Lake Huron was created at the Barbara C. Hoffius Nature Preserve. A new **PARKING AREA** and **TRAIL** were created at the Hoogland Family Nature Preserve.

20 forty-yard dumpsters of trash were removed at the Jack and Tucker Harris Working Forest Reserve.

284 conservation easements were monitored in 2017.

University of Michigan graduate students created a forest health monitoring protocol for our Working Forest Reserves so that LTC can track changes in plant and animal diversity and overall ecological health of a forest before and after timber harvest. They are shown here working with volunteer biologist Glen Matthews.

VOLUNTEER Highlights & Partnerships

- 383 Volunteers gave 3,688 hours organization wide. Within this number are volunteers from our Education, Stewardship and Communications departments. These volunteers save the Conservancy \$86,889!
- The 2nd annual BioBlitz was held at the Braun Nature Preserve. 58 BioBlitz participants recorded 443 species including one federally endangered plant!
- 18 Earth Day volunteers planted more than 150 trees at Offield Preserve.
- Eight community volunteers cleaned up a flatbed load of trash that was illegally dumped in the parking area of the Birge Preserve.
- Little Traverse Bay Bands of Odawa Indians Youth Conservation Corps helped out at Andreae and Susan Creek preserves.
- Partner groups included: Little Traverse Bay Bands of Odawa Indians Youth Conservation Corps, East Jordan High School, Harbor Springs Middle School, Chemical Bank professional staff, Consumer's energy professional staff, Char-Em United Way.
- 144 Preserve Stewards gave 1,205 hours keeping our preserve trails clear, boundaries marked and rules followed.
- 175 EcoStewards spent 720 hours on citizen science projects including a forest ecology consultant, eagle scout project, frog and toad surveys, vernal pool monitoring, kestrel nest box monitoring, and invasive plant removal. American Kestrel chicks

were banded by volunteer and licensed bird bander, Ed Pike at multiple nest boxes on preserves and conservation easements.

- Middle schooler Jacob VanPatten completed three grassland bird surveys to help us with our agricultural management on those nature preserves.
- Eight volunteer work bees were held.
- Tuesday Trail Blazers Group: Richard Jenkins and John Baker accomplished a multitude of tasks year-round!

2017 Education Totals & Highlights

4,518 children from 272 participating groups were reached through LTC environmental education programs in 2017. This includes 3,740 students from schools plus 778 children from summer programs. An additional 1,437 students benefited from our loanable Discovery Boxes. We also connected with hundreds of community members through participation in or support of the following community events: Waganakising BAY DAY Water Festival, now held in conjunction with Petoskey's Festival on the Bay in mid-August; the Mackinaw Raptor Fest held in Mackinaw City the first weekend in April; Cheboygan Earth Week Expo, held the third weekend of April; and the Charlevoix Elementary School Science Event, held the third Friday in April.

Partnership programs continued with several groups. A dozen students participated in the After-School Birding program at Sheridan Elementary School in Petoskey throughout the school year and more than 300 day campers at Camp McSauba in Charlevoix participated in summer program sessions at the North Point Natural Area. A summer program series continued with the Boyne City District Library at The Hill Nature Preserve and additional joint library programming and activities began with the Charlevoix and Petoskey libraries throughout the year. Another new partnership during the summer involved the Crooked Tree Arts Center. Ten youth participated in an LTC-led Nature Photography program as part of the Center's summer Kids Camp. They visited some nature preserves to practice their new photography skills as part of the week-long program.

A complete evaluation of our education program in 2017 has brought some new approaches to programming in 2018. We are grateful to our members, community, and partner groups for supporting Little Traverse Conservancy's efforts to connect children and people of all ages to the beauty and importance of our natural environment. 457 people participated in a community field trip in 2017.

“Anything to show people just how special these places are. They are such a blessing. If you only knew just how special they have become to me.”

“Nature is not only beautiful to look at and enjoy but provides natural healing abilities to one’s health. So being able to help others access nature’s hidden beauty makes me feel blessed to have been a part of the Round Lake boardwalk project.”

“My connection to the wilderness, be it lakes or rivers, forests or mountains, has always been a part of shaping who I am. I have believed in the work of LTC ever since hearing about it and

getting the chance to work there. I have been thinking about becoming a member for a long time. It just makes sense since the goals of LTC so strongly match my ideals and hopes/wishes for northern Michigan. When thinking about investing in what I value, choosing to become a member of LTC really was a simple and obvious choice.”

Graham Peters, Potsdam, NY

"I am grateful that there is an organization that is strong and effective and able to carry on our vision for the preservation of land, well beyond our lifetime. Let's make sure that the hospitality and beauty of northern Michigan is never taken for granted."

Jennifer Eis, Petoskey, MI

"When LTC purchased the original Duncan Bay Preserve, the light bulb went on for me. I called Kieran (Fleming) and the Conservancy worked very hard to obtain funding, which helped pay off some debt for the city and freed up monies which can be used to improve and maintain existing public properties. It's a great partnership!"

Operating Fund

The Conservancy's day-to-day operations are funded by its Operating Fund. Revenues received from memberships provide about 60 percent of its Operating funds, the largest single source. Memorials, grants, the Save the Trees Benefit and approved Endowment Fund transfers are other significant revenue sources for operations. The primary expenses are personnel costs, preserve stewardship, utilities, insurance, travel and meetings, and printing and postage. The Operating Fund had revenues and endowment income of \$1,492,289 and expenses of \$1,455,994 in 2017.

Land Acquisition Fund

The Land Acquisition Fund is used to hold and spend money needed for the direct protection of land through donation, acquisition and conservation easements. The Land Acquisition Fund includes a Revolving Fund which is made up of restricted and unrestricted donations. The Revolving Fund is used to purchase land for which donations have been specified, to purchase important land where time is of the essence, to loan money for the purchase of land which will be subsequently paid for by donations, or to purchase land which will eventually be sold or traded to a state or local unit of government.

For the purchase of land, the Conservancy raises funds where possible to cover the costs of acquisition. Donations received for specific land protection fundraising projects are deposited in the Land Acquisition Fund. Each land project is assigned a separate account to track expenses, gifts and pledges.

Endowment Fund

LTC's Endowment Fund was established to provide long-term income to carry out its work of protecting and managing natural land and open space in northern Michigan, encouraging public use of its preserves, and educating the public about the importance of our natural environment. Funds for the Endowment come from contributions to LTC's Planned Giving Program. Income is distributed annually to support the organization's preserve stewardship and environmental education programs. In 2017, the Endowment Fund grew from \$9,184,443 to \$10,407,183 with distributions of \$414,696 (\$336,440 in 2016) and unrealized gain for 2017 of \$1,293,000 (\$572,743 in 2016).

We do our best to maintain an accurate up-to-date list of donors and apologize for any errors or omissions. Please call our office at 231.347.0991 with any corrections.

To identify the Little Traverse Conservancy in your will or estate plans, please use the following language:

The Little Traverse Conservancy, Inc., a non-profit corporation organized and existing under the laws of the State of Michigan, and with a principal business address of 3264 Powell Road, Harbor Springs, Michigan 49740.

The Little Traverse Conservancy's Federal Tax Identification Number is 23-7267810.

For more information or to share that you have included the Little Traverse Conservancy in your estate plans, please contact Ty Ratliff, Director of Donor Relations: tyratliff@landtrust.org or 231.344.1005.

Heart of the Lakes is the collective voice for Michigan's land conservancies.

BEQUESTS powerful. simple.

For many Conservancy members a bequest is the most direct and impactful way to give, no matter how large or small of a gift. A bequest is invaluable to the Conservancy's continued growth and stability. And bequests ensure the special places we preserve will be cared for and protected forever.

For more information on bequests and other planned giving options, please contact Ty Ratliff, Director of Donor Relations, at 231.344.1005 or tyratliff@landtrust.org
